Walk Thru the New Testament

Presented by Donna Carlson

The Kids in the Book Seminars are truly an adventure tailored to children in the first through sixth grades. Active involvement in stories, games, and puzzles stimulates their imaginations, creativity, and group participation in the New Testament Seminar. This small investment of time will help build a solid foundation for your child's lifetime walk. Register your kids today, and mark the date on your calendar. There will be free childcare for children under first grade.
